Reinsdorf airfield was still unoccupied between 4 July and 13 August 1954.

~~Content~~. Reinsdorf airfield has a grass-covered landing field but no runway or quartering facilities. Therefore, it is serviceable only during the summer season. Ground attack aircraft landed there during the summer months of 1952 and 1953. As the field is still unoccupied, it is not believed that aircraft will use the field this year.
